

XTREME PERFORMANCE LUBRICANTS

COMPANY OVERVIEW

TAKING LUBRICANTS TO A WHOLE NEW LEVEL!

PX-1-One Lubricants (Pty) Ltd, a South African based company, was formed and registered using industry wealth and experience to develop and create a world class quality range of lubricants and PX-1-One branded products.

Following our long-held entrepreneurial aspirations and visions, PX-1-One's primary focus is to become a prominent player in the Sub-Saharan lubricants industry.

Our long standing strategic relationships and partnerships allowed us to become a leading force in multiple lubricant supply markets, offering us world-class blending facilities and cutting-edge infrastructure which ensures that our formulations and products meet the demand of API specifications, OEM requirements and conform to strict internal quality control systems.

**CUTTING-EDGE
INFRASTRUCTURE**

QUALITY CONTROL**

**DEVELOPED LOCALLY TO
INTERNATIONAL STANDARDS**

LEADING EDGE SUPPLIERS

Our Head Office is based in Paarl, South Africa and our strategically positioned warehousing facilities and distributors throughout Sub-Saharan Africa enable us to meet industry demands to effortlessly supply and service our customers.

PX-1-One branded products are manufactured under ISO 9001:2008 accredited standards in a world-class blending facility that employs both local and international research.

Our proven business ethics, exceptional technical proficiency, excellent customer service delivery and the diversity of our product ranges sets us apart from our competitors.

PX-1-One Lubricants works with industry leaders actively advancing the science behind lubricants.

A LEADING FORCE IN THE LUBRICANTS INDUSTRY

WORLD-CLASS FACILITIES

EFFICIENT NATIONAL DISTRIBUTOR NETWORK

OUR BUSINESS PHILOSOPHY

OUR PLEDGE

Within all our business operations, PX-1-One Lubricants is committed to:

- Protecting the environment
- Applying best practice at every level
- Implementing stringent quality control measures
- Making efficient use of energy sources
- Ensuring a healthy working environment for our members of staff

OUR VISION

To be the leading lubricant supplier in Sub-Saharan Africa.

OUR MISSION

To supply technology-driven, high quality lubricants at competitive prices whilst providing exceptional service to customers and growing our business to ensure its sustainability for the future.

OUR VALUES

- Excellence
- Efficiency
- Transparency
- Mutual Respect
- Innovation
- Accountability
- Passion
- Socially Responsible

“ We are dedicated to offering high quality, technologically advanced products at competitive prices, while exceeding customer expectations when it comes to service delivery. ”

OUR CLIENTS: AT THE CORE OF WHAT WE DO

Our products are backed by intense research and development to provide:

- Extended equipment lifespan, resulting in reduced capital expenditure
- Extended service intervals which allows for a reduction in lubricant consumption
- Improved reliability thereby helping to reduce unscheduled downtime
- Reduced friction leading to lower energy consumption

OUR PRODUCTS INCLUDE:

- Automotive Lubricants
- Industrial Lubricants
- Agricultural Lubricants
- Off-Road Lubricants
- Mining Lubricants
- Marine Lubricants
- XPL+ EP2 Industrial Greases
- XPL+ 101 Penetrating & Cutting Lubricants
- XPL+ Heavy duty Oil stabilizers
- XPL+ Hydraulic Treatments

AVAILABLE HIGH QUALITY GRADES:

- SAE 15W40 CH4
- SAE 15W40 CI4
- SAE 15W40 CI4 PLUS
- SAE 15W40 SF/CF4
- SAE 15W40 AGRI STOU
- SAE 40 - SF/CF
- SAE 30 - SF/CF
- SAE 20W50 - SF/CF
- SAE 20W50 - SL/CH4
- GEAR OIL EP 90 GL5
- GEAR OIL 75W90 GL4
- GEAR OIL 75W90 GL5
- GEAR OIL 80W90 GL4
- GEAR OIL 80W90 GL5
- GEAR OIL IGO 150
- GEAR OIL IGO 220
- GEAR OIL IGO 320
- GEAR OIL IGO 460
- GEAR OIL IGO 680
- CAT OIL SAE 10W
- CAT OIL SAE 30
- CAT OIL SAE 40
- CAT OIL SAE 50
- HYDRAULIC OIL 10W
- HYDRAULIC OIL AW 32
- HYDRAULIC OIL AW 46
- HYDRAULIC OIL AW 68
- HYDRAULIC OIL AW 100
- HYDRAULIC OIL AW 150
- HYDRAULIC OIL AW 220
- HYDRAULIC OIL ISO HVI 32
- HYDRAULIC OIL ISO HVI 46
- HYDRAULIC OIL ISO HVI 68
- HYDRAULIC OIL ISO HVI 100
- HYDRAULIC AGRI FLUID - UTTO
- COMPRESSOR OIL ISO VG 32
- COMPRESSOR OIL ISO VG 46
- COMPRESSOR OIL ISO VG 68
- COMPRESSOR OIL ISO VG 100
- HEAT TRANSFER OIL ISO VG 22
- HEAT TRANSFER OIL ISO VG 32
- ATF DEX II
- CUTTERBAR ISO 150
- BRAKE FLUID DOT4
- ANTI FREEZE 50%
- ANTI FREEZE 80%
- WATER BASE DEGREASER
- SOLVENT BASE DEGREASER
- 2T - TWO STROKE OIL
- SAE 30 2STROKE OIL PREMIX
- SAE 30 2STROKE OIL SELF MIX
- MOULD RELEASE OIL (NEAT)
- SHUTTER RELEASE OIL

STATE-OF-THE-ART LABORATORY & MANUFACTURING FACILITIES

PX-1-One's strategic partners ISO 9001:2008 accredited facility is furnished with a multi-million rand in-house laboratory with cutting-edge testing equipment which is operated by skilled and qualified personnel with over 50 years of lubricant industry experience.

All testing adheres to ASTM methods and API standards, ensuring that the delivery of quality products to our loyal customers remains a priority.

Their world-class infrastructure includes the following:

- 🔥 A base oil capacity of over 1.5 million litres spread across 2 tank farms and 30 tanks
- ! First to South Africa, inventive and unique blending techniques equip the plant to produce in excess of 11 million litres a month
- ⚙️ An impressive array of 8 fully automated filling stations warrants versatility of packaging potential from 200 millilitres to bulk
- ✓ Dedicated blending and filling systems ensure that every single one of our products is blended with utmost care and quality
- 🏭 All packaging material is manufactured in-house across 5 different blow moulding and injection moulding machines - another remarkable advantage that safeguards our production time
